PROFILE

Innovative and design driven web developer who loves solving problems. Dedicated to continuous personal growth. My work in web development is an union of artistic ideas and empathetic approach to a client side.

EMPLOYMENT HISTORY

Freelance web developer

May 2020 - Present

EDUCATION

Bachelor of Regional and Spatial Planning, University of Sarajevo

Sarajevo

Oct 2013 – Oct 2017

EXTRA-CURRICULAR ACTIVITIES

Erasmus student

Maribor (SI), Koper (SI), Porto (PT), Palma de Mallorca (ES)

Sept 2016 – Jun 2019

Since september 2016, have been a part of four erasmus exchange programmes in which one of them made a great influence on my further career path. Learned to handle the unknown situations and improved foreign language skills.

ACTIVITIES

Learning web development

Jun 2019 – Present

Future activities:

- React/Redux
- React native (mobile web development)
- UX/UI design
